

Occupational Health Patient Portal Access

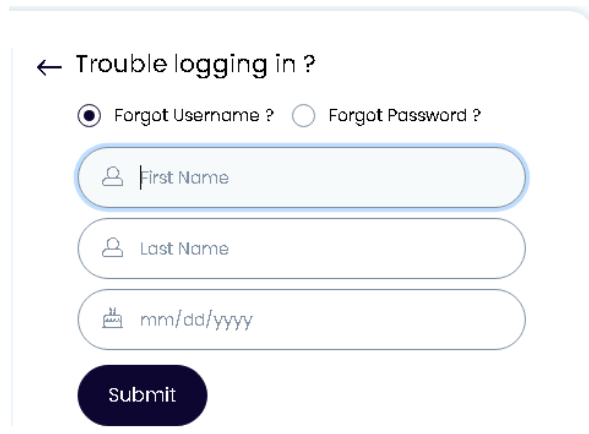

Webpage View

Logging in:

1. Go to the following URL: <https://health.healow.com/tulaneocc>
2. Login using patient portal credentials **or** select “using mobile phone” to get a one-time password texted to your cell phone (as long as your number matches our records)

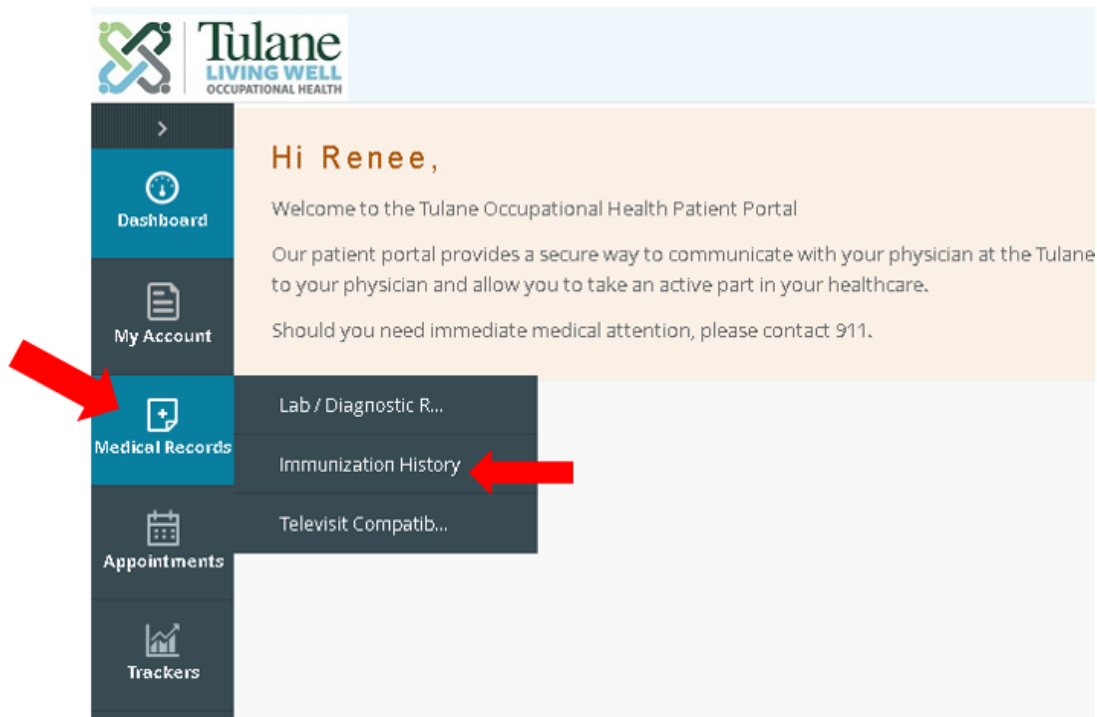

The screenshot shows the patient portal login interface. On the left, there are three main options: "View your health record" (with a document icon and a right arrow), "Book an appointment" (with a calendar icon and a right arrow), and "Join a Televisit" (with a video camera icon and a right arrow). Each option has a brief description below it. On the right, the section is titled "Login to view your health record". It has two radio buttons: "User Credentials" (selected) and "Using Mobile Phone". Below these are two input fields: "User Name" and "Password". At the bottom of this section is a dark blue "Login" button and a link that says "Trouble logging in?".

3. If you have difficulty, click the “[Trouble logging in?](#)” option to get username or password sent to your email address on file.

The screenshot shows the "Trouble logging in?" screen. It has a back arrow and the title "Trouble logging in ?". There are two radio buttons: "Forgot Username ?" (selected) and "Forgot Password ?". Below these are three input fields: "First Name", "Last Name", and a date field with a calendar icon and the placeholder "mm/dd/yyyy". At the bottom is a dark blue "Submit" button.

Once logged in:

1. Within Medical Records on the left side there is an option for Immunization History

2. Immunization History Window
 - a. Has option to print in top right corner
